Medical emergencies can happen anytime and anywhere

Be it home, work, school, church, funeral, public areas, event gatherings. The list is endless!

ARE YOU PREPARED SHOULD YOU FACE THAT EMERGENCY?

Or will you be prepared at that unforeseen time when you face that emergency?

Enrol with MRI Training Academy to equip yourself with the most crucial life skill of saving lives in cases of emergency!

Our Training Academy | History

Established in 1998, the MRI Training Academy provides a variety of emergency medical training courses including First Aid, Fire Awareness and Health Care Providers' courses. All courses are registered and accredited with Botswana Qualifications Authority (BQA) and Botswana Health Professionals Council (BHPC).

The Training Academy is also a recognized American Heart Association (AHA) Training Site affiliated to the Resuscitation Council of Southern Africa - the only such training centre in Botswana offering Advanced Life Support courses for Healthcare professionals including doctors, nurses and paramedics.

**Be prepared the
first time you face
an emergency!**

Frequently Asked Questions

1. Will I get hired by MRI after completing training?

Unfortunately we do not provide employment for our attendants/ customers but we offer quality training which will make you fit in the course undertaken.

2. Are the Academy courses BQA accredited?

Yes. All MRI courses and instructors are BQA accredited.

3. Can the courses be run for free?

As part of our Corporate Social Responsibility mandate MRI Botswana occasionally provides training to schools and non- profit making organizations at no charge. This is done at the discretion of management.

4. How long do courses take?

Our courses run between 1 - 4 days depending on which course you are taking, the duration of each course will also be availed to all stakeholders via local media.

5. Where is the training conducted?

Most of our training is conducted at our Head Office in Block 7 and in areas where MRI Botswana has an ambulance base. However, arrangements can be made to undertake the training at the client's preferred venue, this is mostly for corporate clients or any client who has a booking of a minimum of 10 people.

6. How do I book my place for training?

In order to be booked in any of our classes full payment for the must be made at least 48 hours before training. Corporate clients may provide purchase orders, we also accept cash, debit cards and cheques.

7. How long after the training will I receive my certificate - is the certificate delivered or do I come and collect it?

Certificates will be ready for collection 3 working days after training for all Gaborone based training and 5 working days for outside Gaborone. The certificates can be collected from any of the MRI Botswana facilities countrywide.

8. Do I pay for meals or are they part of the package?

All our trainings are inclusive of meals (Breakfast and Lunch)
